# Message to the Seniors

Dear Class of 2015,

As I reflect on this past year, I cannot help but think that it was more than a little serendipitous that my first year as assistant principal coincided with your last year in our school. I was able to, for the first time, see you do many things for the last time. It was impossible not to notice how you went about these things with true class and style. But I was fortunate to see many groundbreaking firsts in your last year as well. In light of all of these things, I consider myself truly fortunate to have been your assistant principal during this unforgettable year.

During this time, we have forged personal connections, overcome obstacles, celebrated outstanding accomplishments, and worked together to achieve common goals like winning your final Spirit Week at DR! Despite having to take a pie in my face, I still cite our record breaking effort in the food drive as an unqualified success because we were able to showcase the strength of the class of 2015 working together as a whole to support our community food pantry by raising an extraordinary amount of food. This collective demonstration of generosity and compassion was admirable; I will always remember you for rising to the occasion to do something great for those who were in need.

I also will treasure the relationships we have formed as a class and remember your outstanding performances and participation in sporting events, theatrical performances, Mr. DR, the talent show, our first Multicultural Night, and musical concerts. Some of your accomplishments have been chronicled at the Celebration of Excellence, Athletic Banquet, Annual Art Show, through the High Five Club, DRX Awards, and as the awarding of various senior superlatives. These laurels have highlighted what you are all capable of achieving. Homecoming, Winter Ball, and Prom gave me the chance to see everyone dressed up, in good spirits dancing with friends and celebrating everything that makes DR special. Things like Mock Trial trips and Honor Bowl performances helped to demonstrate what can be accomplished when you work together. And even with all of these things, you made time to volunteer in your community and mentor your fellow students. You have made certain to leave your indelible mark on our school and our community as you did each of these things for the last time, yet in a way that will not soon be forgotten.

But in all endings are also new beginnings. This school year began the tradition of music in the cafeteria on Fridays, the new DR Lacrosse teams, and the first time in recent memory that we have been able to host a home game for soccer. Furthermore, DR's Marching Band was given the honor as being named Tom Brady's Best Buddies Official Band. We also banded together for a great cause in the first ever Falcon 5k. Your class has helped spearhead all of these initiatives and they simply would not have been possible without your leadership, guidance, and participation. I am incredibly proud to have a lifelong connection to such a strong, intelligent, passionate, and talented class.

Many of you will go straight off to college, enter the workforce, or join the military. Still others may decide to opt for traveling, volunteering, or are still weighing your many options for future pursuits. No matter what next steps you take, your legacy will continue to resonate within our school and inspire positive changes within the Dighton-Rehoboth community at large. As you begin the next chapter in your lives, continue to strive for excellence. Have the belief and confidence that you are truly capable of anything you want to accomplish. Never give up. Nothing is out of reach through hard-work, effort, and dedication, as you've proven each and every day at DR. I'd like to end with a sincere and warm "thank you" to the class of 2015 because it has been an absolute pleasure working with each of you and watching you achieve success. Wherever you go and whatever you do, know that we will always be here for you, so do not hesitate to write, call, or visit. And, as always, continue to embody the DR Difference no matter where life takes you.

Best Wishes,

Ms. DiGioia  
Assistant Principal

# Class of

# [2015]

## *To the Class of 2015:*

In 2011, we were encouraged to get to know a town of new people. For some of us, this was an easy task; but for others, the thought of change seemed impossible. However, in four years we all came together and formed a friendship between towns; a friendship that will stick with us no matter where we go.

The thought of high school is frightening at first. It's a place to create the person you want to be, and to strive for greatness. It's scary that in just four short years you will be starting the rest of your life. It's the oldest story in the world; one day you're seventeen and planning for someday, and then without ever really noticing, someday is today. And then someday is yesterday.

For some of us it was the best four years. Maybe for others, it wasn't exactly what you pictured. What matters now is what you do with the lessons you have learned. Face the world head on and go after what you want. Don't be afraid to make mistakes because most of the time, the greatest rewards come from doing things that scare you the most. You could get everything you wished for, maybe you'll get more than you could have imagined, but the road is long and in the end, the journey is the destination.

For the Class of 2015, our mark has been made on this school forever. We'll walk away with the memories, the good times and bad, and friendships that will last a lifetime. And for the rest of you that are attending Dighton-Rehoboth, make the most of it, because believe it or not, four years goes by faster than you think. Whether you love high school or want to wish it away, just remember that who you are and who you will become is being shaped right here. The rest of your life is a long time, and it starts right now. —Mckenzie Kapsimalis

## Dr. Anthony Azar, Superintendent of Schools

*"Find something that you really like to do, because more than likely you'll end up doing it for the next forty years."*

Superintendent Dr. Anthony Azar

## Ms. Gail Van Buren, Assistant Superintendent

*"The future belongs to those who believe in the beauty of their dreams."*  
Eleanor Roosevelt

Dear Class of 2015,

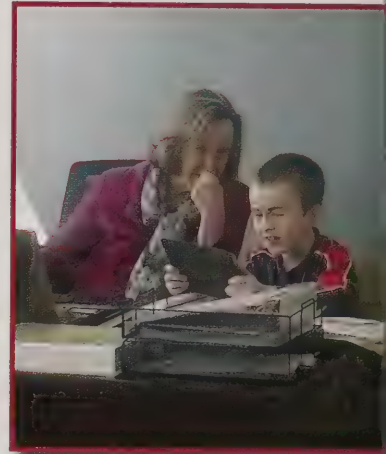

In 2007, my first year in the DR Family, I referred to this quote from Eleanor Roosevelt in my '07 Yearbook Message. I feel it is only fitting to return full circle to it as I leave DR with you and with all of its many legacies, fine traditions and comforts as we both begin a new chapter of our lives

As third graders in 2003, you probably never thought about this now imminent, exciting day of Graduation 2015! Over the past nine years, you have faced many challenges head-on, seized tremendous opportunities, and now the future holds endless possibilities for you.

We are all so proud of all of you and what you have accomplished both individually and as a class during your time in the Dighton-Rehoboth Regional School District! You have exhibited extraordinary academic, athletic, and artistic talents. More importantly, you have demonstrated genuine concern for others, your community, and the environment. I have no doubt the world will definitely be a better place as you continue your education and work and are able to influence politics, the economy, the arts, and sciences.

Believe in yourself and accept any obstacles in the road as opportunities for learning and personal growth. May you realize all of your hopes and never lose sight of your dreams.

Ms. Van Buren

# A Message from the Administration...

## Mr. Kevin P. Braga, Principal

Congratulations on graduation and all that you have achieved in the past four years. As you embark on the next leg of your journey, I charge you not to settle but to continue to nurture excellence in each of your endeavors. Demonstrate the characteristics of leadership you have acquired here to your new peers, serving as a role model to those in your new setting and validating why you embody the DR Difference. Above all else, stay true to who you are and never compromise your integrity and character. Best of luck, class of 2015, and continue to make us proud.

Mr. Braga

## Mr. John Harrison, Assistant Principal

I will greatly miss seeing each of you at school next year. You are an impressive group- your kindness, compassion, and integrity have made a lasting impact on the D-R community. Congratulations on your accomplishments and I wish you the best of luck in the future. As you move along in your journey through adulthood, please remember the words of Albert Einstein *'Only a life lived for others is a life worthwhile.'*

Mr. Harrison

## Mr. Douglas Kelley, Dean of Student Activities & Athletics

I have had such a wonderful first year as your new Dean of Student Activities and Athletics, in great part due to this Senior class. As you embark on your new path, I challenge each and everyone of you to continue to push yourself especially at this important stage in your life. I also hope at some point this year, you experienced the "DR Difference" we spoke of early in the school year and saw positive changes made. This class has truly been exemplary in every facet of the word. Academically, Athletically, and most of all, a show by example type class, in which you have set a standard of excellence for future classes to come. Congratulations Class of 2015, it's been an honor serving you. May you all prosper as you move on from DRRHS.

## Ms. Stasia Peters, CTE Director

*'Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful.'* -Albert Schweitzer

Congratulations to the graduating members of the Class of 2015!

You are about to transition to another stage of personal and educational growth. You leave Dighton-Rehoboth properly armed with the educational tools to be successful regardless of your chosen pathway. As you move forward never lose sight of the educational foundation that you built here. Your contributions to the Dighton-Rehoboth community have set the standard for others to follow.

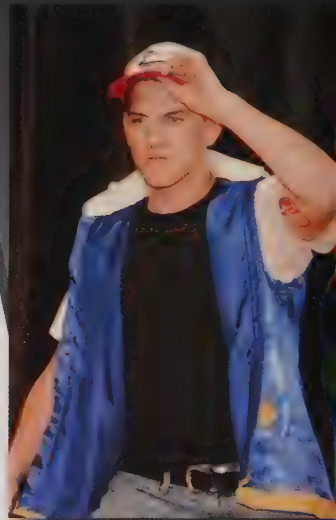

It has been an honor and a pleasure to pay witness to your involvement and achievement in all aspects of our school.

# NEON DAY

Spirit Week 2014 began with the annual dress-up days. Students and staff dressed up in all *neon colors*. It was like walking through hallways of high lighters.

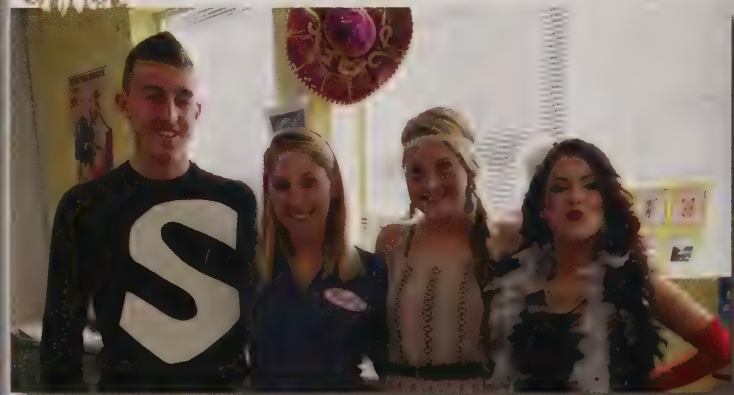

## Spirit Week 2014

# DISNEY DAY

On the last day of the dress-up days, the students and staff dressed up as their favorite Disney character. Making appearances throughout the halls included: Mickey Mouse, Up, Monsters Inc, Frozen, and many more.

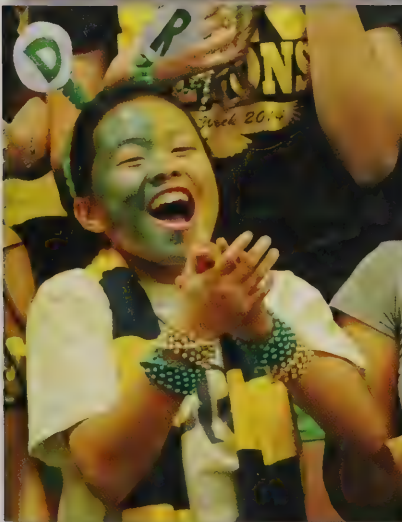

# SENIOR APPRECIATION DAY

The first day of the rallies kicked off with all four grades heading into battle. The Seniors, who have proven in the past, that they are a force to be reckoned with, ended the day as the leaders after dominating the competitions. This would fire up the Juniors in hopes of taking the lead the next day. Rivalry always makes for great competition, but nobody could prepare for what was to come...

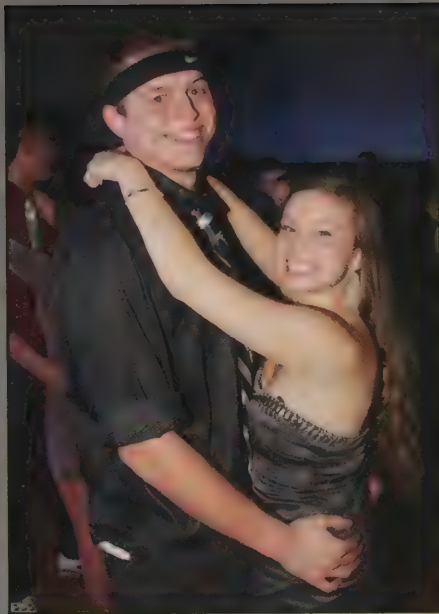

The final day of the rallies started right where it left off. After championship games, cheering, and upsets, the games concluded. The DR Marching Band fired up the school along with Coach Driscoll and the Senior Captains. Then it was time, "the Freshmen, the Sophomores..." then the moment... "the Juniors, and THE SENIORS!!!" Spirit Week concluded with the entire Senior Class coming to the middle of the gym for one final cheer.

FIRST ANNUAL FUN RUN & WALK, Sponsored by Student Government

Student Government and Spring Track sponsored the first annual Remembrance 5k Run/Walk on May 30th. The Remembrance Run/Walk is in remembrance of students that have passed away during their time at DR. The proceeds from the Remembrance Run/Walk is used to sponsor a scholarship for students.

## Unified Sports

Special Olympics Unified Sports® brings together ATHLETES with intellectual disabilities and athletes without intellectual disabilities (PARTNERS) to train and compete on the same team.

Unified Sports programs have been around since 1989, but are brand new to most high schools in Massachusetts.

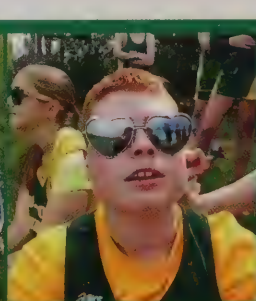

The MIAA has partnered with the Special Olympics of Massachusetts to create Unified leagues and promote participation.

The D-R Unified Basketball team competed against Dartmouth High School, Durfee High School, New Bedford High School and the D-R Staff All-Stars

The D-R Unified Track team competed in 3 meets and the conference championships during the spring season.

# Mason Morehead

Mason,

We are so proud of you!  
Always remember to  
follow your heart and  
never give up on your  
dreams.

Congratulations!

Love, Mom, Dad, Cole,  
Emily, Olivia & Ella

# Sophia Szydowski

Congratulations to Sophia and the whole middle-school lunch table "Fam."

D.R. once had you, now you'll let go, up, up and away, to heights yet unknown.

Carry your friendships, you whole nutty fam, carry them with you whenever you can.

The Fam will sustain you as you scatter far and wide. Up, up and away, have a great ride!

To the best daughter a mom could ever be blessed with, I love you Fi,  
XO, Mom
